

## SEA HORSE WITH BABIES

### Instructions:

1. Colour in the adult sea horse and the babies.
2. Carefully cut out the adult sea horse.
3. Carefully cut out the strip of baby sea horses – use cut lines to guide you.
4. Carefully cut a small slice in the belly of the adult – use dotted line to guide you.
5. Slot the strip of baby sea horses through the slot in the adult's belly.
6. Move the strip to make the baby sea horses come out of the adult's pouch on its belly.
