Challenge Activities

Habitat Match-ups

1. Match the animal with their habitat by drawing a line between them:

   - Mangrove Forest
   - Wetlands
   - Seagrass Meadow
   - Sandy Bottom
   - Coral Reef
   - Open Ocean

   - Dugong
   - Coral
   - Frog
   - Crocodile
   - Sea Cucumber
   - Shark

2. Pick one of the above habitats and investigate what other animals may live in that habitat. Draw a picture of that habitat with the animals you have found.
