

## What doesn't belong?

1. Circle the non-living things in the picture above.
2. In the space provided, list all the living things you can find:  

---

---

---
3. Colour in the coral reef ecosystem.
4. Extension: Pick one of the non-living things in the picture that could be harmful to a coral reef. Explain why it is harmful and what you can do to prevent it from occurring.
