

## Mangrove Forest

Below is a picture of a mangrove forest.

There are many animals that use mangrove trees for their home.  
Colour all the animals that are hiding amongst the mangrove trees,  
then answer the questions that follow.

1. Name as many of the animals you coloured as you can

---

---

2. What are two reasons mangrove forests are important?

---

---

3. Label the following parts of the mangrove:

- a pneumatophores
- b roots
- c trunk
- d canopy
